Re: United States v. Anthony Scibelli
Criminal Docket No. 08-76(JBW)

Dear Judge Weinstein:

On September 9, 2010, the government wrote a letter in response to defendant's request for early termination of his probationary sentence. In that letter, the government consented to that request as long as the Probation Department did not oppose the request. I was informed by defendant's Probation Officer this morning, Eric Harmon, that he is very much opposed to this request.

In light of the position of the Probation Department, the government opposes the defendant's request. If the Court needs anything further, please don't hesitate to contact me.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
